Staff Team of the Week
Y5 & 6 LSAs

A fantastic day today! We celebrated our Core Values, and the children had a great, creative day looking at how to relate our Core Values to famous people. In addition, we celebrated Children in Need by wearing something 'spotty' and supporting this fantastic charity. We will let you know how much we raised in next week's newsletter, but thank you in advance for your generosity.

EDUCATIONAL VISITS

The deadline for donated payments for five educational visits have expired this week. History off the Page (in school) for Years 1, 2 and 3, Tilbury Fort (Year 4) and the Science Museum (Year 5). Thank you to everyone who has made their payment already. Without your support for these trips, we cannot continue to offer them to our children. If you have not yet made a payment, we look forward to receiving this soon.

CHRISTMAS PERFORMANCES

Each class will have received letters about how to order their tickets for the Christmas Performances this year. Please read the letters carefully, we don't want anyone to be disappointed.

CASHLESS SCHOOL

We would just like to say thank you to everyone for the way that they have adopted payments on line or at a PayPoint store! This has worked really well and we are sure that parents/carers are finding the option to make either on-line payments or pay at PayPoint whilst doing their shopping a really time saving way of making payments at school. We will be introducing the system to KS1 over the next few weeks, and hopefully, by Christmas, will have obtained our target to become a 'cashless' school. We acknowledge that there are some payments that will still need to be made in cash, for example, charity days, like Children in Need, and Breakfast Club. However, the majority of our payments can now be made using our on-line option. Once again, thanks to everyone for accepting the changes and making this a painless operation!

SAFETY MATTERS

Once again, we have had a

complaint about a child riding their scooter on the school premises and almost knocking into both a parent and child. This practice is really dangerous, and before long, someone is going to be seriously hurt. We cannot stress enough that bikes and scooters **MUST NOT BE RIDDEN ON THE SCHOOL GROUNDS**. This really is our last warning – any more complaints, and your children will not be allowed to bring their bike or scooter to school and leave it here. We will be patrolling the school gates to ensure that no more 'near misses' occur over the next few weeks.

HERRINGHAM CHRISTMAS MARKET

Our Christmas Market has been very successful for the last 3 years, so we will be bringing it to you again on Friday 8 December; the idea of the Christmas Market is to celebrate many of our children's heritage, so the market will have stalls from various different countries, selling products that would typically be bought there. All the children in school will be hand-making everything that will be sold, and all of the profits will be used to purchase much needed resources for our school. We would also really appreciate any donations that could go towards the raffle, so if you have any unused or unwanted gifts that you could donate, we would really appreciate them. Alternatively, if you would be interested in supporting the event or running your own stall then please get in touch with Mrs Shina. Thank you for your continued support.
